Do you take too long to write emails?

Do you struggle to finally start writing that report?

Do you keep making the same mistakes in your writing and speaking?

Whatever the sticking point that's causing you to perform under par, I can help you get it unstuck.

Hi, I'm Christina

Enabling professionals to master English communication skills has been my bliss for over 20 years.

I've coached, trained and taught in companies and language schools in Europe and New Zealand plus online – helping people in education, engineering, finance, healthcare and IT from all around the world:

Argentina, Brazil, China, Denmark, Egypt, France, Germany, India, Japan, Malaysia, the Philippines, Poland, Spain, Sudan, Ukraine, Vietnam and Zimbabwe.

EBLA Express gets you moving

We focus on what's holding you back from communicating confidently and clearly in English with your clients and colleagues.

Together, we identify the issue and sort out a solution.

Like Fabrice from France who was frustrated because his colleagues pointed out his grammar and vocabulary mistakes but couldn't tell him why they were wrong – and so he kept repeating them.

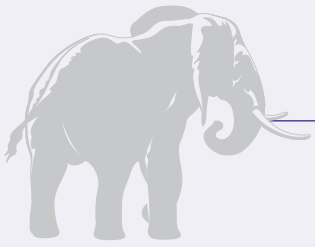

During our session, we pinpointed the main problems, I explained why the structure or tense or word wasn't right, and showed Fabrice how to fix it. Then we worked on some tailored exercises to ensure what he had learnt sticks.

After 90 minutes, Fabrice already felt more confident in using English.

In EBLA Express, we transform your stumbling block into a stepping stone on your path to improving your professional English.

EBLA Express gives you:

- a task to prepare for the session
- a 90-minute coaching session via video call

- an action plan
- a follow-up 30-minute coaching session to check in and answer questions

Your investment for 2 hours of personalised coaching is NZ\$197 (plus GST for NZ residents).
